

**NESPS transcript: Newcastle older speakers 2**

<http://www.lel.ed.ac.uk/dialects/nesps.html>

**Participant 1:** RA

**Participant 2:** PA

[RA] you couldn't do that (-) could've put you in a kennel @ [RA]

[PA] Well I could bloody stop here and you could go on holiday your self [PA]

[RA] And you look after the dog aye [that's it aye [RA]

[PA] [That'd be a holiday for me↑ (.) [PA]

[RA] Aye you could gan [RA]

[PA] Well we could go away separate they could have separate holidays then there wouldnt be a problem with the dog would it [PA]

[RA] Aye you could stop here with the dog and I'll go away on holiday [RA]

[PA] Aye thats right you go away for a week then Ill go to Ibiza with Jordan and [XX

[RA] [Aye right aye [no [RA] [ @

[PA] @ [you know well have a divorce party and [things like that and (.) [PA]

[RA] [what [RA]

[PA] Not a problem [PA]

[RA] But that's always been the problem hasn't it [RA]

[PA] Yeah [PA]

[RA] So we'll just have to

[PA] Get rid of the dog and then there's not a problem [PA]

[RA] Not a chance ((t-to-r *norra*)) nah nah [RA]

[PA] Get rid of me @ that'd be easier I think yeah right aye [PA]

[RA] Oh I- I'm gonna still keep looking (.) erm [RA]

[PA] So what you gonna say to him when this afternoon [PA]

[RA] I'll just say nah I'm not gonna increase my offer cos (.) and I'll tell him why I'll say because really i- (.) you know you talking two and a half years then the vans (.) worth- i- it's he's saying it's worthless and it isn't (.) but they're not gonna give you any th- they're not gonna sell it th- they th- th- (.) they say you know this this rule where after fifteen years you have to have them off the site [RA]

[PA] Mm-hm [PA]

[RA] Do you know what I ((t-to-r *wharra*)) mean they only allow caravans up to fifteen years old after that they've got- and what they've done they've just put a little twist on that that yes they'll allow you to stay (-) but [RA]

[PA] You can't sell it [PA]

[RA] But you cannot sell it (.) but you can within the first fifteen years (.) so nah I just (-) [RA]

[PA] But didn't David and Maria said when they went there to have a look and she asked him something about what their ((pronounced as *the*)) future plans (.) were

[RA] Yeah bu- [RA]

[PA] and he couldnt answer and Maria [thought

[RA] [Yeah [RA]

[PA] "oh I wonder if they might wanna take one of these bigger (.) like park resort-" not park resorts but do you know what I mean

[RA] Mm [RA]

[PA] one of these erm big leisure companies might take it over and then double the ground rent just because its owned by [PA]

[RA] I tell you another thing I- I- (-) what they've included th- in in the ground rent is your insurance (-) and they're charging we four hundred pound insurance [RA]

[PA] Aye yeah [PA]

[RA] I dinnit pay that for the bloody use [RA]

[PA] @ Yeah because you probably be able to get the insurance for about eighty quid on the internet if you went on the caravan club [or something like that (.)

[RA] [or s- [RA]

[PA] But I suppose they do it like that to make sure it is insured so if there's [anything [PA]

[RA] [well  
yeah but I mean alls they should do then is just say well y- you know when you renew  
your ground rent (.) we want to see your insurance certificate [RA]

[PA] Yeah [PA]

[RA] And if you haven't got no insurance you're off the park [RA]

[PA] It's a bit like they do with mortgages they stopped all that now including your eh  
[PA]

[RA] Well no or theyv- [basically don't [RA]

[PA] [Yeah but you dont do it now [because they were get- [PA]

[RA] [what they do the- they add half  
a percent on don't they [RA]

[PA] Yeah cos they cost a fortune to what you would pay if you did it yourself [PA]

[RA] Yeah [RA]

[PA] Nah just § just thought there was something not right [PA]

[RA] Fabulous van though but [RA]

[PA] And I didn't like the way he talked about the woman either [PA]

[RA] Mm [RA]

[PA] I think that was a bit er erm [PA]

[RA] Two total strangers I think [se- [RA]

[PA] [For to total strangers [PA]

[RA] That he couldn't stand her didn't he [RA]

[PA] He couldn't stand her [PA]

[RA] Her [God knows what he thought of me then [RA]

[PA] Erm [she was an ugly dog and @ I thought poor soul you know and what's it got  
to do with him where [she took that [PA]

[RA] [I mean if I walk round like that I'll be [alright [RA]

[PA] [ @ er what's it got to do  
with him where she took the dog (-- ) nothing at all that's [her personal choice [PA]

[RA] [er yeah I  
think what he was getting at was that er she took it to the PDSA (.) where she  
could've took it to the vets i- in the village [RA]

[PA] Yeah but she might not have been able to afford to take it to the vet [PA]

[RA] Aye [RA]

[PA] And that's why she took it to the P- [cos the bloody [PA]

[RA] [ah but then she says and then he's telling her  
she's telling him that they're gonna go travelling all over the world [RA]

[PA] Well obviously that's what they want well they cannot be ganning [far like @  
[PA]

[RA] [so if they're  
travelling all over the world Pamela I'm sure they could afford to go to the vets [RA]

[PA] Well aye but mebbes they're just gonna use the eight thousand off the caravan  
[PA]

[RA] [ @ not gonna get far then are they [RA]

[PA] [Maybe they're maybe her worlds not as big as everybody else's @ you know it  
might just be Skeggy ((Skegness)) or somewhere like that [PA]

[RA] Nah (-- ) well whe- you know when I said to you about erm (-- ) that one we seen  
at Seahouses [RA]

[PA] Mm-hm [PA]

[RA] [And th- [RA]

[PA] [What the shed [PA]

[RA] They wanted thirteen thousand for that [RA]

[PA] Aye the shed [PA]

[RA] And I said to you when you see them ones up there er there's nee way ((no  
way)) that's two thousand and four [RA]

[PA] No (.) well she'll not phone today cos she's off Thursday Friday she said she  
would phone it on cos she said if I wanted to buy it to ring her on her mobile so that  
th- nobody else gets the commission just her [PA]

[RA] Yeah well (-) there's nee way that's two thousand four man w- w- not when you're [look [RA]

[PA] [I was trying to explain to Michelle how it was hidden by: the bigger one [so you cu- when you ap- [PA]

[RA] [Aye  
so you when you walk round the corner [RA]

[PA] When you approached it and you seen the big one you were like ((excited heavy breathing noises)) and your just heart sank [PA]

[RA] Mm [RA]

[PA] I just can't believe that
