

The Twelfth Manchester Phonology Meeting

P R O G R A M M E

Thursday 20th - Saturday 22nd May 2004

Held at
Hulme Hall, Manchester

Organised by phonologists at **Edinburgh University, Newcastle University, the Université de Montpellier-Paul Valéry, Manchester University, the Université de Toulouse-Le Mirail**, and elsewhere.

With support from the British Academy and the Linguistics Association of Great Britain

Welcome to the 12mfm

This booklet contains (i) details about the rooms which we'll be using, some other information about things at and near Hulme Hall, and some further information which may be useful to you (on this page), (ii) the conference programme (on pages 3-6), and (iii) maps to help you find the restaurants that we'll be eating at on Thursday and Friday night, and a pub where people often meet after the papers have finished (on page 7). If you have any questions about where things are, please feel free to ask one of the organisers.

Conference sessions

All the conference sessions (apart from the poster session) will take place in either the Old Dining Hall or the Seminar Room in Hulme Hall. These are in different buildings, but the buildings are very close to each other and the rooms will be signposted. The Old Dining Hall is upstairs in the main building – just walk through the bar area and the modern dining hall. The Seminar Room is in the modern building which is opposite the entrance to the main building. The poster session will be held in the bar area, upstairs in the main building. The rooms for each session are clearly marked in the programme on pages 3-6 of this booklet.

Food

The midday meals on Thursday, Friday and Saturday will be in the modern dining room in Hulme Hall. You'll find this easily if you go upstairs and walk through the bar area. The evening meals are in restaurants – details of these are given on page 7 of this booklet. The midday meals start at slightly different times, so please check with the programme for this.

Coffee and tea breaks

Morning and afternoon breaks will be held in the bar area, which is upstairs in main building.

Publishers display and book/journal auction

There will be a book display at the mfm, which will double as an **auction**. All the money that is made from this will be used to fund the postgraduate discount on the conference price. The auction will work like this: a number of volumes have been donated by publishers (Benjamins, Blackwell, OUP and Palgrave). These will be on display throughout the conference, so please feel free to leaf through them – the publishers want you to order them, after all. A piece of paper will be attached to each book for people to write their offers on. We'll start with a reserve price and see how high the bidding goes - the highest offer at the end of the conference will get the book or journal issue - you'll be able to pick up the volume on Saturday, at the start of the Midday meal, when we'll also accept bids (payment by **UK cheque** or **cash** – no credit cards, but you could use your card to take out money from an ATM, including the one at Hulme Hall). There are also some leaflets and catalogues from publishers in your packs, which we hope will also be of interest to you; this includes order forms to get a discount on some titles.

Shops

There are lots of shops on Wilmslow Road, which is about 2 minutes' walk from Hulme Hall. You can find it on the map on page 7 – this is the road where the restaurant is situated that we'll be going to on Thursday night.

Pubs

At the end of the day in previous mfms, after the papers, people have tended to congregate in the Whitworth pub, which is about two minutes' walk from Hulme Hall. It's indicated on the map of page 6 of this booklet. There are naturally lots of pubs and bars in central Manchester, including several on Portland Street, which is just round the corner from the restaurant that we'll be going to on Friday night (see the map on page 7).

ATMs

Some cash machines are available built into the wall near the entrance to the main building at Hulme Hall. There are several others on Oxford Road and, of course, hundreds in central Manchester. You should be able to use most, if not all, cards, including non-UK ones, in these machines.

Photocopying

There is a photocopier in the main foyer at Hulme Hall. You will need to buy a copy-card from the reception and copies cost 5p per sheet.

Email and internet access

There is **no** internet access available at Hulme Hall but we have been told that you can buy internet access at 'Diamond Communications' on Wilmslow Road (this is the road where Thursday night's restaurant is - see page 7). You need to turn left onto Wilmslow Road, and Diamond Communications is next to the traffic lights. There are many other internet cafes in Manchester, and you can also access the internet using **blue** phone boxes (which take coins or cards).

Posters

BAR AREA 11.15-13.00 Friday

This is a chance for participants to read people's posters and to ask the author any questions that they may have. Poster presenters will be near their poster for much of the session but will also probably want to have a look at other people's posters. Please ask around if you can't find the author of a poster that you're interested in – they're bound to be nearby and the idea of this session is to encourage discussion of the posters on display.

Pubs and restaurants

People often meet at the Whitworth pub (also known as the Whitworth Arms) after the talks have finished for the day. This is here:

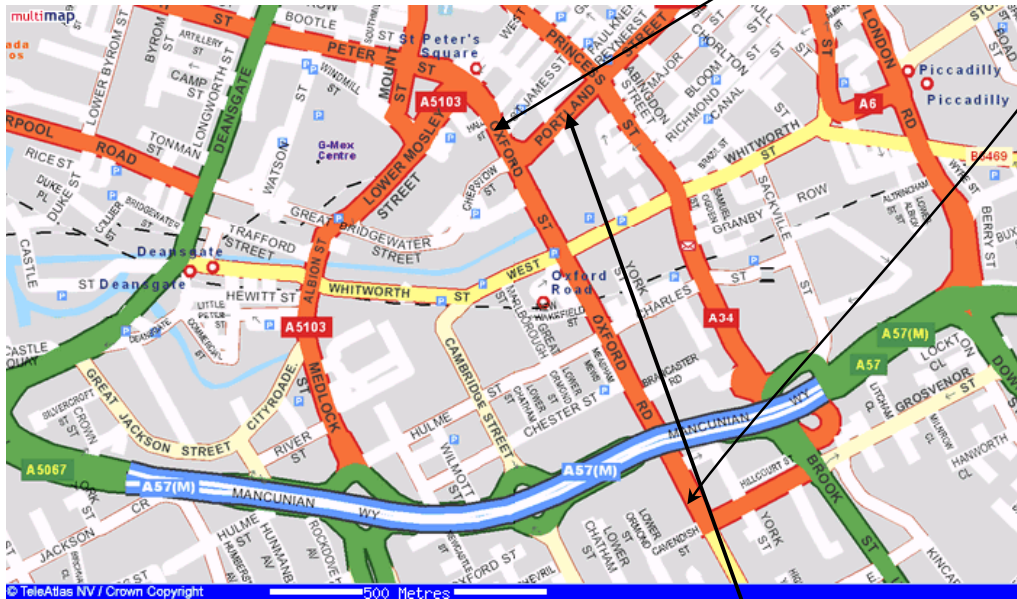

Hulme Hall

Restaurant on Thursday evening

The *Lal Heweli* is on Wilmslow road, just about here-ish. The amount that you've paid with your booking form covers a full Indian banquet, and you'll be asked to pay for any drinks that you have yourself.

Restaurant on Friday evening

The *Tai Wu* is on Oxford Street in central Manchester, right about here, just past the Palace Theatre, opposite Pizza Hut. You'll have to pay for any drinks that you order at the restaurant tonight, too.

Oxford Road

If you walk off the top of the map above (the one for Thursday evening) you'll end up near the bottom of the map to the left (the one for Friday evening)

There are several pubs in the vicinity, including some on Portland Street – head north or eastwards.
