The Twentieth Manchester Phonology Meeting

Twentieth anniversary meeting

PROGRAMME

Thursday 24th - Saturday 26th May 2012

Held at
Hulme Hall, Manchester

Organised by a collaboration of phonologists at the University of Edinburgh, the University of Manchester, and elsewhere.
Welcome to the 20mfm

This booklet contains (i) details about the rooms that we’ll be using in Hulme Hall, some information about things at and near Hulme Hall, and some further information which may be useful to you (on this page), (ii) the conference programme (pages 3-7), and (iii) maps to help you find the restaurants that we’ll be eating at on Thursday and Friday night, and to find a nearby pub where people often meet after the papers have finished (page 8).

Conference sessions

All the conference sessions apart from the poster sessions will take place in either the Old Dining Hall or the JCR (Junior Common Room) in Hulme Hall. These are in the same building at Hulme Hall. It takes about a minute to walk between them. The Old Dining Hall is upstairs in the main building – just walk through the bar area and the modern/actual dining hall. The JCR is to the left of the main entrance in the Hulme Hall main building. The poster session will be held in the dining area, upstairs in the main building. The rooms for each session are marked in the programme on pages 3-7 of this booklet, and there will be signs to the rooms in Hulme Hall.

Food + coffee/tea

The midday meals on Thursday, Friday and Saturday will be in the dining area in Hulme Hall. You’ll find this easily if you go upstairs in the main building and walk through the bar area. The evening meals are in restaurants – details of these are given on page 8 of this booklet. Morning and afternoon breaks (with refreshments) will be held in the bar-dining-room area, which is upstairs in main building (this is also where the posters sessions will be).

Publishers display and BOOK AUCTION

There will be a book display at the mfm, which will double as a book auction. All the money that is made from this will be used to fund the postgraduate discount on the conference price. The display-and-auction works like this: a number of volumes have been donated by publishers (OUP, Benjamins, EUP, CUP, Equinox, CSP and Wiley Blackwell). These will be on display throughout the conference, so please feel free to leaf through them – the publishers want you to order them, after all. A piece of paper will be attached to each book for people to write their offers on. We’ll start with a reserve price and see how high the bidding goes – the highest offer at the end of the conference will get the book. You will be able to pick up the volume on Saturday, at the start of the midday meal, when we will also accept bids, as in a normal auction (payment is by cash or UK cheque – no credit cards, but you could use your card to take out money from an ATM, including the one at Hulme Hall). There are also some leaflets and catalogues from publishers in your packs and by the books, which we hope will also be of interest to you; this includes order forms to get a discount on some titles.

Shops + pubs

There are lots of shops on Wilmslow Road, which is about 2 minutes’ walk from Hulme Hall, as shown on the map on page 8. At the end of the day in previous mfms, people have tended to congregate in pub. The Whitworth, where we used to drink, is now closed, so we have nominated the Ford Madox Brown as the 20mfm conference pub; this is about two minutes’ walk from Hulme Hall, on Oxford Road. It’s also indicated on the map of page 8 of this booklet – do just come along! There are naturally lots of other pubs and bars in central Manchester – just head north into the centre. UK pub etiquette is that you order at the bar and pay when you get the drinks, and it is not normal to tip the bar staff – they may be quite surprised if you do (it’s normal to give a tip of around 10% at restaurants and cafes with table service, though).

ATMs

A cash machine is available built into the wall near the entrance to the main building at Hulme Hall. There are several others on Oxford Road/Wilmslow Road and, of course, hundreds in central Manchester. You should be able to use most, probably all, cards, including non-UK ones, in these machines.

Photocopying and printing

There is a photocopier in the main foyer at Hulme Hall. You will need to buy a copy-card from the reception and copies cost a few pence per sheet, but it’s not that easy to use. Alternatively, there is a branch of Mail Boxes Etc near Hulme Hall (6 Wilmslow Road) which provides photocopying and printing services (some people have printed their posters there in past years); for more information on this shop, see www.mbe.co.uk/manchesterrusholme.

Wifi

We have been told that we will be able to give participants a password to use the Hulme Hall wifi system. You will need to sign up for an individual password. More details will be available at registration.

Pre- and post-conference events

An ‘mfm FRINGE meeting’ has been arranged for Wednesday 23rd – details are available here: www.lel.ed.ac.uk/mfm/20mfm-fringe.html. There will also be a get-together from around 8.30pm in the Lass O’Gowrie pub (36 Charles Street, M1 7DB; www.thelass.co.uk/). For the evening of the 26th, Jill Beckman has organised a trip to the Genghis Khan Mongolian Barbecue restaurant; this needs to be booked in advance by contacting Jill, as explained on the mfm website.
Programme
Oral papers: 30 mins; time allocation: 20/25 mins for talk, 10/5 mins for questions (speaker chooses)

Pubs and restaurants

We have nominated the Ford Madox Brown pub as somewhere that people could meet after the talks have finished for the day. This is here:

Restaurant on Thursday evening
The Al Nawaz/Adaab restaurant is at 74 - 84 Wilmslow Road, just about here-ish. If you’ve booked a meal at the restaurant, then the amount that you’ve paid with your booking covers the food (you can buy drinks at the restaurant, of course).

Restaurant on Friday evening
The Efes Taverna is at 46 Princess Street in central Manchester, right about here. You’ll have to pay for any drinks that you order at the restaurant, again.

There are several pubs in the vicinity, including some on Portland Street – head north or eastwards.
