P R O G R A M M E

Thursday 23rd - Saturday 25th May 2019

Held at
UMIC, Manchester

Organised by a collaboration of phonologists at the **University of Edinburgh**,
the **University of Manchester**, and elsewhere.

Welcome to the 27mfm

This booklet contains (i) details about the rooms that we'll be using at UMIC, some information about things at and near UMIC, and some further information which may be useful to you (on this page), (ii) the conference programme (pages 2-6), and (iii) maps to help you find the restaurants that we'll be eating at on Thursday and Friday night, and also to find some pubs where people often meet after the papers have finished (page 7). Other information (about getting to Manchester and UMIC, numbers for handouts, information on projecting *etc*) is available on the conference website (http://www.lel.ed.ac.uk/mfm/27mfm.html).

Conference sessions
The **talks** will take place in either the **Dalton Room** or the **Innovation Suite** at UMIC. The rooms for each session are marked in the programme on pages 2-6 of this booklet. The poster sessions will be in an area called **The Street**. There will be signs to all the rooms and areas at UMIC.

Food + coffee/tea
The midday meals and the morning and afternoon breaks (with refreshments) will be in the area called **The Street** at UMIC. This is also where the posters sessions will be. The evening meals are in restaurants – directions to these are given on page 7 of this booklet.

Publishers' display and BOOK AUCTION
There will be a small book display at the mfm, which will double as a **book auction**. All the money that is made from this will be used to fund the reduced-rate discount on the conference price. Sadly this will be considerably reduced from previous years as several publishers have not been able to participate this year due to ominous-sounding 'budget cuts'. Nonetheless, there will be an auction of the books that we receive. A piece of paper will be attached to each book for people to write their offers on. At the auction on Saturday (at the start of the midday meal), we'll start at the price on the paper and see how high the bidding goes – **we will also accept bids, as in a normal auction**. Payment is by **cash** only – no credit cards. There are also some leaflets and catalogues from publishers in your packs, which we hope will be of interest to you.

Shops + pubs
There are lots of shops on Oxford Road (which you will probably go up in order to get to UMIC), including a Morrisons and a Sainsbury's supermarket and coffee shops, and there are ATMs there, too (you should be able to use most, probably all, cards, including non-UK ones, in these machines). At the end of the day in previous mfms, people have tended to congregate in a pub. We have nominated the *Turing Tap* (https://www.craft-pubs.co.uk/turingtap) as the main 27mfm conference pub; this is about two minutes' from UMIC, on Oxford Road. There are naturally lots of other pubs and bars in central Manchester – just head north into the centre. We have also nominated the *Lass O'Gowrie* pub (http://www.thelassogowrie.com) as the 'city centre' conference pub, where people can congregate in town (if they like). UK pub etiquette is that you order at the bar and pay when you get the drinks, and it is *not* normal to tip the bar staff – they may be quite surprised if you do (it's normal to give a tip of around 10% at restaurants and cafes with table service, though).

Printing + copying
It is not possible to photocopy or print at UMIC itself, but there are a number of options to print posters or photocopy material in Manchester near UMIC. MuPrint (about 15 minutes' walk from UMIC, towards the city centre: https://www.muprint.com) has been recommended. We advise you to check with them in advance if you are planning to use them. It is possible in principle to email or upload a file to MuPrint, so you may be able to arrange to have material ready and waiting for you.

Wifi
If you have access to eduroam, you will likely be able to use that at UMIC. If not, you should be able to use the UMIC wifi system. The network is **UMiC Events** and the password is **Gr4ft0nM139XX.**

Pre-conference event
There will a 'fringe' workshop on **Wednesday 22nd May**, from 1.30pm in a building at the University of Manchester which is near but not next to UMIC (see:https://sites.google.com/view/yunikim/mfmfringe).

Programme

Oral papers: 30 mins; time allocation: 20/25 mins for talk, 10/5 mins for questions (speaker chooses).

Pubs and restaurants

Restaurant on FRIDAY evening

The *Zouk* restaurant is *here*, at Unit 5, The Quadrangle, Chester St (postcode for map apps: M1 5QS).

We have nominated the *Lass O'Gowrie* pub, which is *here*, as the 'city centre' conference pub, where people can meet if they are in town.

Restaurant on THURSDAY evening

The *TOPS* buffet restaurant is at 106 Portland Street, just off Oxford Street, right about *here* (postcode for map apps: M1 4RJ).

UMIC

is about 15 minutes' walk along Oxford Road, down here

The *Turing Tap* pub, which is the immediately post-conference pub is also on Oxford Road.

Oxford Road

These two maps show approximately the same area of Manchester (Oxford Road station is on both), as the restaurants are not far from each other.

To get to the restaurants from UMIC, you will need to go north, along Oxford Road (Oxford Road becomes Oxford Street just after Oxford Road station.)
